

**Oops, We Goofed!**

We do try so hard to get the patterns to you without errors, but in the case of MCANGUS AND THE GIRLS we just plain missed them.

We have made changes to the diagrams for Units 1, 2, 3 and 6 which you will see below. Unfortunately this means you will have to cut a few additional pieces which were left out of the original diagrams (you should have enough fabric in your scraps).

Happily any pieces you have already cut and now need to change will only need to be reduced. In other words, our mistake should not require you to buy any additional fabric.

For Border #1 cut 2 pcs. 1 1/2" 59 1/2" (sides) and 2 pcs. 1 1/2" x 53 1/2" (top and bottom). For Border #2 cut 2 pcs. 7 1/2" x 61 1/2" (sides) and 2 pcs. 7 1/2" x 67 1/2" (top and bottom).

We cannot apologize enough for these errors and hope you get through the changes with a minimum of frustration. These corrections will apply to those of you that purchased patterns before May 23rd, 2008.
